Mirror: 1400x138x800mm

The essence of designing Nordic design is people oriented. If you design a chair or a sofa, you will not only pursue the beauty of its shape, but also pay attention to the perfect combination of its curve and human body. Nordic design merged into the main body consciousness and became full of reason. In the proportion and size of excellence, and the use of skills to maximize the characteristics of materials, thereby creating beautiful handicrafts.

Like the same pot of tea, brewed in the pot, it is mellow but not lost, and you can stop to enjoy tea in your spare time, which is also where you feel comfortable.
