WORLD OF FESTINA

Founded in 1902 and acquired in 1984 by Miguel Rodriguez, **Festina** is the leading brand of the Festina Group. With over 100 years of reputed watch-making history Festina continues to enjoy commercial success around the world thanks to the unique combination of advanced product quality, timeless and unique design and unbeatable value for money.

With timeless designs that transcend short lived fashion trends, Festina transmits universal values, independent of culture, social status or origin. Festina is a synonym of elegance, functionality and style, the result being a range of time-pieces for those looking for convenience, reliability and outstanding quality at a competitive price.

Since its very beginnings Festina has been closely linked to sport and sporting events such as cycling because the challenge in sport is also universal. While still being present in sport competitions, the brand has moved into a more high profile and fashion positioning thanks to the brand ambassadors **Gerard Butler and Miss France**.

THE POTENTIAL CONSUMER

The Festina client is modern, urban and aged between 15 and 75 years old. An active person who likes sports and who is successful in both their professional and private life.

The target is someone who is mature, sociable and who likes to spend time with friends and family.

A professional who likes to wear stylish accessories and appreciates fashion, but who doesn't necessarily follow the latest trends but reinterprets them in their own way.

A consumer looking for a quality product, with an attractive design at a reasonable price, the three core values of the **FESTINA** BRAND

THE WATCH SPECIFICATIONS

Selection of our products highlights

- Stainless steel 316L watches

Introduction

The legendary **Festina Chrono Bike** watch collection, highly anticipated by sports watch fans, once again surprises with its complete 2024 collection. **Festina** continuously reinvents its models, season after season, achieving peak performance inspired by its passion for the world of cycling. This inspiration is reinterpreted through a lens of sportiness and advanced technology.

This year, the historic **Festina Chrono Bike** range makes its debut with 12 new models:

six in stainless steel and six featuring versions with multi-colored silicone straps. In addition to these, the collection includes two extraordinary offerings from the **Chrono Bike Special Edition** line, each presented with its own case and an additional strap. Furthermore, the **Chrono Bike Limited Edition**, the most exclusive in the collection, is dedicated to the true collectors of **Festina Chrono Bike**. This model, designed to impress, features a striking multicolored dial.

A woman with short brown hair and bright red lipstick is posing with her arms raised and hands behind her head. She has several tattoos on her arms: a camera on her left forearm, a cassette tape on her right forearm, and various smaller designs including a crescent moon, a heart, a palm tree, and the word 'ARTPOP'. She is wearing a gold Festina watch with a colorful dial. The background is a plain, light gray.

MY TIME INSTORE PRESENCE

The natural place for the Festina Swiss Collection is close to the Festina regular Collection. We are a lifestyle Brand, therefore our Customer expect to have a wide choice and different price level to choose.

We suggest to use the FEXPO 20 Big base for the Festina regular Collection and the FEXPO 20 Small Base to create a separate environment for the Festina Swiss Collection.

FEXPO20 SWISS MADE COLLECTION

INTERNATIONAL GUARANTEE

Examples of use

3 ATM / 30 METERS
Resistant to accidental contacts with water, such as rainwater splash.

5 ATM / 50 METERS
Resistant to all water sports, except diving.

10 ATM / 100 METERS
Resistant to all water sports, including shallow diving. An annual service of the sealing mechanism should be carried out.

20 ATM / 200 METERS
Resistant even for diving with use of oxygen bottles. An annual service of the sealing mechanism should be carried out.

Your Festina watch is guaranteed for a 24 month period against any manufacturer's defect under the following conditions: any part found by our technical service to be defective as a result of a manufacturing fault will be replaced free of charge by Festina.

The Festina International Guarantee does not cover Damage resulting from accidents, mishandling or abusive use (knocks, dents, crushing, etc.), the use of batteries other than those specified by Festina, unauthorized alteration, manipulation or repair, or the consequences of the normal wear and ageing of the watch.

Also not included are straps and bracelets.

In order to benefit from this guarantee, you will be required to present this Festina International guarantee certificate, duly completed, dated, stamped and signed by an approved Festina dealer.

Please keep this certificate in a safe place.

Caution: Your watch has a quartz movement.

The guarantee will not be valid if batteries other than those specified by Festina have been used.
