# Our universe

The AYTM universe embraces the beauty of minimalism, where simple, sculptural shapes meet timeless Danish and Scandinavian design traditions. Each piece reimagined through the distinct lens of AYTM's creativity. Every item is a statement, featuring bold, voluminous forms that capture attention, while maintaining the grace and refinement that defines the collection.

The magic lies in the harmonious interplay of clean lines, rich textures, and a thoughtfully curated color palette, which together elevate the overall aesthetic, making each piece unique.

At its core, the AYTM collection is built upon a foundation of superior craftsmanship and meticulous attention to detail, creating timeless designs that combine functionality, individuality, and sculptural beauty for lasting impact.

## THE STORY OF AYTM

# Behind the brand

AYTM's journey started in 2015 in Aarhus, also known as the City of Smiles. The brand was founded by Kathrine and Per Gran Hartvigsen, who had been operating their company, Gran Living ApS, since 2004 with great success. AYTM was introduced as a distinctive and independent brand under the umbrella of Gran Living. The name AYTM is a creative twist on the word "item," pronounced the same way. The logo reflects this simplicity, blending the letters A, Y, T, and M into a clean and visually striking design.

## RESPONSIBLE BUSINESS PRACTICES

# Continuously responsibility

At AYTM, we take pride in taking responsibility for our products, our producers, and our customers. We are dedicated to refining our design and production processes, ensuring that responsibility remains at the heart of everything we do.

Our journey has been one of learning and growth, enhancing our ability to adapt and thrive in a constantly changing world. While we recognize that challenges remain and we are not perfect, we are steadfast in our commitment to continuous improvement. We see responsible business practices not as a destination, but as an ongoing journey, and we are dedicated to making strides toward a more responsible future.

Since 2015, we have been proud members of the UN Global Compact, aligning ourselves with its Ten Principles regarding human rights, labor rights, environmental protection, and anti-corruption. With deep respect for both our planet and its people, we are determined to contribute to responsible development wherever possible.

This is why we are also participants in the Amfori Business Social Compliance Initiative (BSCI), which monitors our supply chain to ensure social compliance. Through BSCI, we ensure that our supply chain adheres to fair working hours, fair pay, health and safety standards, and guarantees the absence of child labor or discrimination. We are committed to upholding these principles as we move forward in building a more responsible future.

## PRODUCT PRODUCTION

# Strong partnerships

At AYTМ, many of our products are handmade or crafted through manual processes, requiring a high level of skill and expertise. Our manufacturers play a crucial role in our success, and we carefully choose specialized partners who can help us achieve the highest standards of quality for both our products and packaging.

We place great value on strong, collaborative relationships with experienced manufacturers, as we believe that exceptional craftsmanship is just as important as the design quality and material selection. Through these partnerships, we ensure that every piece we create is of the finest quality and reflects our commitment to excellence.
