

The background is a solid light beige color. It features several thin, dark red lines that form overlapping circles and a square outline. The circles are of varying sizes and are positioned across the page, with some partially cut off by the edges. The square outline is located in the bottom right corner, with its top-left corner being a rounded square.

Memoria e futuro

it — Abitiamo angoli di tempo portando con noi la storia del mondo e tutta la bellezza che è stata. Scriviamo sopra pagine già scritte lasciando tracce del nostro passaggio per raccontare nuova bellezza. Ma la casa è, e sarà sempre là dove c'è il nostro cuore. È nido, rifugio, accoglie la memoria di noi e ospita il nuovo che saremo. È ispirandoci a questo abbraccio che sono nati i nostri nuovi prodotti: la forma avvolgente di Simposio evoca luoghi antichi e intimi, il tavolino scultoreo Trè è memoria classica riscritta sulle note iridescenti e sensuali del futuro, i tappeti Cime, fatti di materia antica eppure viva, evocano il tempo ancestrale della casa tenda e con la loro simbologia diventano spazio di narrazione di storie e tradizioni. Con il restyling di Ananta confermiamo infine, la nostra visione che dice: "occorre tempo per prendersi cura della bellezza e proteggerla dall'oblio della memoria per farla vivere nel futuro". Noi siamo memoria e futuro.

Amelia Pegorin

Memory and future

en — We inhabit edges of time, while taking along with us the story and beauty of the world, and all that has been. We write on written pages leaving traces of our passing, to narrate of new beauty. But home is, and always will be, where our heart resides. It is a nest, a shelter, it welcomes the memory of us and houses the new that we will become. This embrace has inspired our new products: the enveloping form of Simposio evokes ancient and intimate places, the sculptural Trè coffee table is classic memory rewritten on the iridescent and sensual notes of the future, the Cime carpets, made of old yet alive matter, evoke the ancestral time of the tent as a home, and with their symbolism become spaces of narration of stories and traditions. Lastly, with the restyling of Ananta, we confirm our vision that states: "it takes time to take care of beauty and protect it from memory's oblivion, to allow it to live on in the future". We are memory and future.
