Cette collection automne-hiver 2025 évoque un pont subtil entre le style **rétro** et le minimalisme **moderne**, créant des pièces intemporelles qui traversent les âges. Les sacs allient simplicité, élégance et fonctionnalité, avec des formes épurées et des couleurs **naturelles** qui apportent un sentiment de **réconfort** et d'équilibre au quotidien. L'intention est de proposer des essentiels modernes, à la fois pratiques et raffinés.

Les couleurs principales – bordeaux, marron, gris et galet – évoquent une palette **apaisante** et **sophistiquée**. Chaque modèle incarne un luxe discret et durable, tout en restant fidèle à l'idée d'un design qui traverse les époques avec calme et équilibre.

This Fall-Winter 2025 collection evokes a subtle bridge between retro style and modern minimalism, creating timeless pieces that transcend eras. The bags combine simplicity, elegance, and functionality, with clean shapes and natural colors that bring a sense of comfort and balance to everyday life. The goal is to offer modern essentials that are both practical and refined.

The main colors – burgundy, brown, grey, and pebble – evoke a soothing and sophisticated palette. Each design embodies discreet, durable luxury, while staying true to the idea of a design that transcends time with calm and balance.
